

** The failure to mark defensive shots allows players and teams to advance with inaccurate skill levels.*

DEFENSIVE SHOTS KEY POINTS

1. A shot where a player deliberately misses so as to pass his turn at the table to his opponent.

DEFENSIVE SHOTS KEY POINTS

2. A shot where there is no "intent" by a player to pocket a ball of his category.

DEFENSIVE SHOTS KEY POINTS

3. Anytime you are not playing offense, you are playing defense.

DEFENSIVE SHOTS KEY POINTS

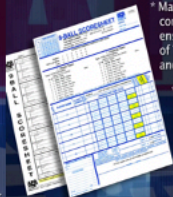

4. Players with integrity call all safeties and intentionally missed shots.

* Submitted to local APA League.

* Ensures that all players will be properly ranked.

* Must be filled out neatly, completely, correctly, and signed by both captains to avoid penalties.

* Marking defensive shots consistently and correctly, ensures the effectiveness of The Equalizer® scoring and handicap system.

* By carefully marking defensive shots, you are not only keeping score properly, you are also helping to ensure the accuracy of the skill levels of the players in your division.
